REQUEST FOR DONATIONS TO FUSION SCHOLARSHIP FUND

Dear Supporter of the Colorado Fusion Soccer Club,

Happy Holidays! I write to urge a donation to Colorado Fusion's scholarship fund. Consistent with the goals and objectives of its predecessor clubs, Aurora Sting and Denver Soccer Club, Colorado Fusion has always tried to provide some degree of financial support for players and families who do not have the means to pay the costs associated with youth soccer in Colorado. This coming season, especially in light of the difficult economy, we expect significant demand on our scholarship fund.

We understand that there are many competing requests for your charitable contributions each year. Why should youth soccer get your support? We at Colorado Fusion strongly believe that youth soccer is not just about getting a result on the field, but also about teaching lessons and goals for life. Whether it is the importance of teamwork and sportsmanship, or the reality that diligence and hard work necessarily will lead to improvement, we value the lessons that youth soccer can teach our growing children.

In a recent interview with Chris Berman during "Monday Night Football," Barack Obama was asked what sports had taught him. Mr. Obama recalled rebelling against his high school basketball coach in Hawaii, "At some point, the coach said, 'Look, this is not about you. This is about the team.' It took me awhile, I think, to really understand that, but that's how I've approached the work that I've done in politics ever since." We at Colorado Fusion hope to give as many children as possible the opportunity to experience such life lessons through youth soccer.

Your tax deductible donation of \$200, \$100, or even \$25 will put more players on the fields, cause more lessons to be learned, and will put more smiles on children's faces. Please send any donations to Colorado Fusion Soccer Club, 6825 E. Tennessee Ave, Suite 475 Denver, CO 80224., made out to Colorado Fusion Soccer Club, with "Scholarship Fund" in the memo line. You will receive a receipt to use for tax deduction purposes.

Sincerely,

Reid Neureiter
Scholarship Committee
