

COLORADO FUSION SOCCER CLUB

YOUTH SOCCER FOR DENVER AND AURORA

Junior Academy Newsletter

Q1 March 2010

Welcome to the new season! I am really looking forward to having fun and helping our players develop to their potential this Spring. As you all know, I will be the point of contact for U4 to U8 teams. I have spent many years in soccer and am committed to creating an environment that will help every player in Junior Academy grow. I hope to use this newsletter as a way to share information and keep everyone informed – after all, it is in everyone’s best interest that we are all on the same page. Working together, we can make sure that our players all reach the same goals: Fun, Learning, and Development!
